SASICME 2023

(Midterm Conference of ASI West Bengal Chapter)

INVITATION

We have the pleasure of inviting you to participate in the upcoming SASICME 2023, Midterm Conference of ASI West Bengal Chapter to be held at Saroj Gupta Cancer Centre & Research Institute, Thakurpukur, Kolkata from 17th to 19th November, 2023 with Pre-Conference Live workshop on 17th November, 2023.

We are expecting many National & International Faculties and about 400 delegates in this prestigious conference.

Our Institute, previously known as Cancer Centre & Welfare Home, was founded by Dr. Saroj Gupta, a pioneer Oncologist, in 1973 in Thakurpukur on a donated piece of land. From a 25 bedded dormitory, the Institute has slowly but surely grown into a 311 bedded fully comprehensive Cancer Centre with all modern Diagnostic and treatment facilities affordable to all classes of people.

Academics and Research have always been a major focus of our founder and the centre has already hosted several conferences at States, National and International levels with grand success.

On its 50th Anniversary, it will be our proud privilege to host the prestigious SASICME (mid term Conference of ASI West Bengal Chapter) within the unique premises of SGCCRI complete with a 425 seated AC Auditorium, lush green lawns, water bodies and even a Toy Train.

We request your active participation to make this Conference a grand success in terms of great Scientific feast which will enrich the knowledge of all participating Surgeons which in turn will benefit the Society with better care.

We look forward to seeing you on the above date.

Yours sincerely,

Samir Bhattacharyya
